SUPPLEMENTARY INFORMATION:

On May 25, 2012, the Postal Service filed a request with the Commission for an advisory opinion under 39 U.S.C. 3661 regarding its Post Office Structure Plan (POStPlan) under which it intends to examine and consider changes to operating methods and conditions, including hours of operation used to provide retail and other services and products at approximately 17,700 of the more than 32,000 postal retail locations.<sup>1</sup>

The Postal Service states that under the POStPlan there is a “possibility that the scope of the changes in service...could be ‘substantially nationwide,’ within the meaning of 39 U.S.C. § 3661(b).” Id. at 2. The Postal Service states that if it determines that retail operations at facilities should be discontinued, postal patrons would have to obtain services at a different postal facility or through alternate access channels. <sup>1</sup> United States Postal Service Request for an Advisory Opinion on Changes in the Nature of Postal Services, May 25, 2012, at 1 (Request).

The Postal Service has identified the POSTPlan as having the potential to change service nationwide and has asked for a Commission advisory opinion. Under these circumstances, the Commission shall provide an opportunity for a hearing on the record and provide a written opinion on the POSTPlan. 39 U.S.C. 3661(c).

Request. The Request is accompanied by testimony from one witness, Jeffrey C. Day (USPS-T-1), and five library references.<sup>2</sup>

Witness Day, Manager, Retail Operations, in the Office of Delivery and Post Office Operations at Postal Service Headquarters states that he has primary responsibility for developing policies and procedures relating to the day-to-day operations of post offices, opening or closing of retail facilities, and improving the customer experience. USPS-T-1 at i.

In his testimony, witness Day describes the current state of the Postal Service's retail network and recent trends in customer behavior. *Id.* at 2-5. He then compares the retail access and services offered by the Postal Service with actual retail activity. *Id.* at 5-9. The testimony describes the POSTPlan as a Headquarters-initiated review of all EAS Level 16 or below post offices by examining workload. *Id.* at 11. Witness Day explains that approximately 17,700

post offices will be examined under the POSTPlan.<sup>3</sup> Id. Those post offices with an Adjusted Earned Workload (AEWL) for FY 2011 greater than 5.74 hours will be categorized as EAS Level 18 or above. Id. at 12. Those post offices with an AEWL of 5.74 hours or fewer will be categorized as either Remotely Managed Post Offices (RMPOs) or Part-Time Post Offices (PTPOs). Id. at 11.

Witness Day states that RMPOs will be subject to realigned weekday window service of 2, 4, or 6 hours per weekday, depending upon workload. Id. at 12-13. He explains that RMPOs realigned with 6 window service hours will be staffed by a career employee, and RMPOs realigned with 2 or 4 window service hours will be staffed by a non-career employee. He notes that RMPOs will report to and be managed by a postmaster located at a designated Administrative Post Office (APO). Id. at 13.

Witness Day states that those post offices that would otherwise qualify as RMPOs will be classified as PTPOs if (1) the post office is 25 or more driving miles from the nearest post office, or (2) the post office is outside a 25-mile radius of the nearest APO. He explains that PTPOs will be staffed by a career employee for 6 hours of window service each weekday, regardless of workload, and will report to a district office rather than an APO. Id. at 13-14.

---

<sup>3</sup> The post offices examined under the POSTPlan include all 17,728 EAS Level 16 or below post offices that were operational as of the end of FY2011. Witness Day explains that this number includes post offices that have been suspended or become non-operational since the close of FY2011, but that those post offices will not be part of the POSTPlan. USPS-T-1 at 1 n.1.

Witness Day also states that the Postal Service generally will not study for discontinuance post offices that are part of the POSTPlan “unless the community has a strong preference for discontinuance....” Id. at 15. For post offices currently being studied for discontinuance, the Postal Service will hold the discontinuance process in abeyance pending a determination of whether to realign retail window hours. Id. at 18. When the community expresses a strong preference for one of the alternative access means other than realigned window service hours under the POSTPlan, the Postal Service will proceed with a discontinuance study utilizing the procedures set forth in “USPS Handbook PO-101.”<sup>4</sup>

Witness Day states that, beginning in September 2012, the Postal Service will survey customers to solicit their preferences for realigned window service hours or a discontinuance study. Id. at 17, 21. The Postal Service will then review the surveys and hold a community meeting to discuss the survey results. If the Postal Service determines to maintain the post office with realigned retail hours, it will consider feedback from the community meeting to determine the time of day in which retail window service will be available and the timeline for implementation. If the post office is not continued with realigned window service

<sup>4</sup> Id. at 22-23; see 39 CFR part 241. Witness Day notes that the discontinuance process has been improved so that it now uses actual employee costs based on historical data, includes detailed financial information such as one-time costs not previously accounted for, and captures more non-revenue transactions. USPS-T-1 at 23-24.

hours, the Postal Service will likely study the facility for discontinuance. Id. at 17-18.

The Request and all supporting public materials are on file in the Commission's docket room for inspection during regular business hours, and are available on the Commission's Web site at <http://www.prc.gov>.

Timing. The Postal Service believes that its filing satisfies the requirements of 39 CFR 3001.72, which states that a request for an advisory opinion must be filed at least 90 days in advance of the effective date of the proposed changes. See Request at 10. Although witness Day indicates that the Postal Service will begin upgrading post offices identified as APOs and those with an AEWL of greater than 5.74 hours per day to EAS Level 18 post offices in June 2012, he also states that "no reduction in hours or discontinuance study pursuant to POSTPlan will occur until more than 90 days after the filing of the request for an advisory opinion with the PRC." USPS-T-1 at 21.

Further procedures. 39 U.S.C. 3661(c) requires that the Commission afford an opportunity for a formal, on-the-record hearing of the Postal Service's Request under the terms specified in sections 556 and 557 of title 5 of the United States Code before issuing its advisory opinion. Based on its preliminary review of the Request, the Commission finds it appropriate to expedite the proceeding. To facilitate expeditious review of the matter, the Commission expects parties to

make judicious use of discovery, discovery objections, and motions' practice. Every effort should be made to confer to resolve disputes informally.
